

Binti and the shadow

Binti and Poppy are sitting at the table.
It is late.

Can you hear the clock?
It is nearly time for bed.
Poppy is tired.
Poor Poppy.
She is falling asleep.

Mummy is sitting on the couch.
She is reading the newspaper.
Can I watch some TV? Binti asks.
No, says Mummy.
I am reading the newspaper.
And it is nearly time for bed.

Binti can hear the clock.
It is nearly time for bed.

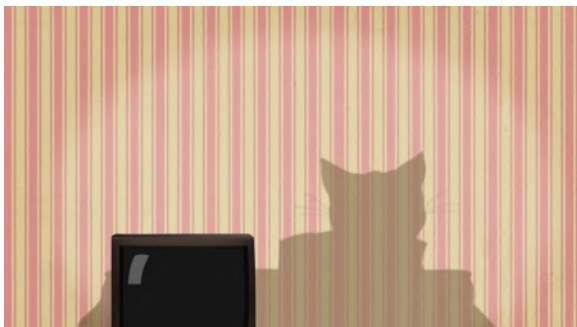

Look Poppy, a shadow on the wall.
It is the shadow of Mummy's head.
Mummy scratches her head.
She scratches her shadow head.

Binti laughs. Hi hi!
Look what I do, Poppy.
Binti scratches Mummy's shadow head.
She laughs. Hi hi!
She scratches all over Mummy's head.
Shsss, says Mummy.
I am reading the newspaper.

What now, Binti?
Binti puts up her fingers.
Now, Mummy has two ears.

Mummy is a pussycat.
Miauw! Binti says.
Mummy, you are a pussycat.

Right, says Mummy.
Time for bed!

Night night, Binti!
Night night, Poppy.
