

Binti in the vacuum cleaner

Binti is sitting on the couch.
Aw aw, all that noise!
Binti covers her ears.
Poppy covers her ears too.
Mummy is vacuuming.

Feet up, Binti! Mummy says.
Binti puts her feet up.
Mummy vacuums underneath Binti's feet.
There, and there, and there.

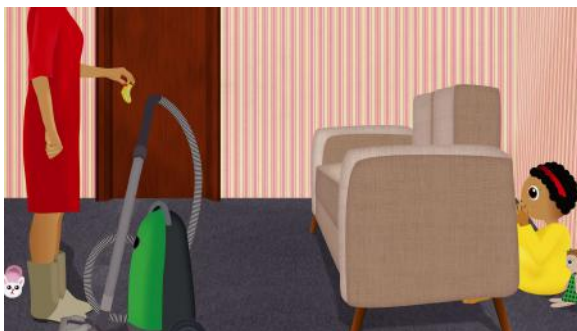

A crumb of bread, a piece of cloth, a paper ball.
They all disappear into the vacuum cleaner.
All done!
Mummy puts the vacuum cleaner away.

What now, Binti?
She takes off one slipper.
The takes off one sock.
Then she puts the slipper and the sock
next to the vacuum cleaner.

Come on Poppy, let's hide!
 Binti en Poppy hide behind the couch.
 Mummy! I am inside the vacuum cleaner!
 Binti shouts.

Mummy comes back.
 She picks up Binti's sock.
 Poor Binti, says Mummy.
 She really is inside the vacuum cleaner.
 Mummy shakes the vacuum cleaner.

A crumb of bread, a piece of cloth,
 a paper ball.
 They roll out of the vacuum cleaner.
 But no Binti.
 Binti is still hiding behind the couch.

Poppy laughs. Hi hi hi.
 Shush Poppy, Binti says. Shhh!

But where is my little Binti? says Mummy.
Here I am!
Binti jumps up from behind the couch.
Hihhi! Fooled you!
I was behind the couch.

Oh my! says Mummy.
I am so glad you are back.
And she gives Binti a big big hug.
