

Binti is going to cook

Binti is in the kitchen.
What is Binti going to do?
She's going to cook.
What are you going to cook, Binti?

Soup for Poppy.
Poppy is very hungry.
No banging with your spoon!
On the table, there are a newspaper
and a roll of paper.

Binti takes a piece of the paper.
She makes snips of paper.
She throws the snips into the pot.

Then she takes the big spoon.
I have to stir the soup, Binti says.
I am the cook.
She stirs and stirs.
All done!

Binti takes a bowl and a spoon.
Look, Poppy, snip soup for you.
Binti puts the bowl in front of Poppy.
Yummee?
Yes, yummee yummee.

Then Binti takes a plate.
She makes strips of newspaper.
She puts them on the plate, one by one.
All done!

Look, Poppy, spaghetti for you.
Yummee?
No, not yummee.
What is it, Poppy?
Where is the sauce? Poppy asks.
I want sauce.

But Binti doesn't have spaghetti sauce.
What now, Binti?
Let me think!
I know!

I'll make you some sauce.
Binti spits on the spaghetti.
Once, twice.
Look, Poppy, spaghetti sauce.
I made it myself.

But Poppy sticks out her tongue.
Yukkk!
I don't like your sauce, Binti.
