

Boris and Binti at the park

Boris says: you stink!

Binti says: you stink!

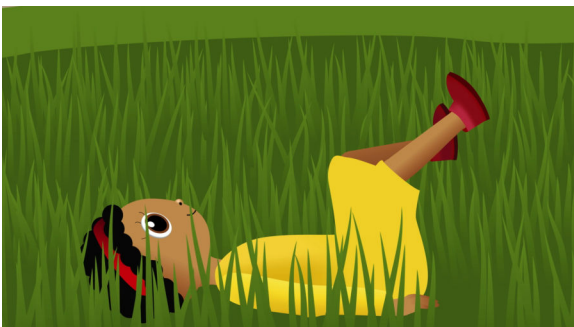

Then they start to roll in the grass.

Round and round and round.

Is that fun? Yes, that is great fun.

Rolling in the grass is great fun.

Then Boris and Binti are tired.

I am going to ride my bike, says Binti.

You don't have a bike.

Binti puts her feet in the air.

I'm going to ride my air bike.

Me too!

Boris puts his feet up in the air.

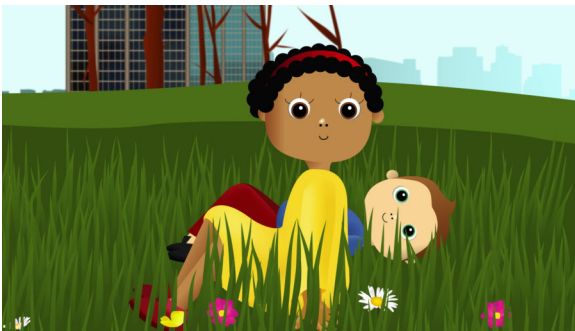

He rides his air bike too.

Then Binti and Boris are tired again.

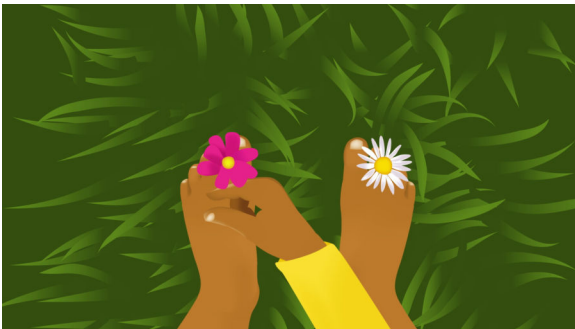

My feet are hot, says Boris.

He takes off his shoes.
He takes off his socks.
You have stinky feet, says Binti.
She takes off her shoes.
She takes off her socks.
You have stinky feet, says Boris.

What now, Binti?
Binti sees some flowers.
White, pink and yellow flowers.

Binti sticks three flowers between her toes.
One two, three.
Three flowers between her toes.
And Boris?
Yes, there are some flowers for Boris too.

Boris and Binti are lying in the grass.
They have flowers between their toes.
Zzzz! Look! A bee!
Keep still!
Or the bee will be scared.

Boris and Binti are lying in the grass.
They are keeping very still.
Zzzz, the bee says. Yummy flower.

Then, the bee is gone again.
Boris and Binti ride their airbikes.
With flowers between their toes.
