

Boris is going to work

Boris is standing at the table.
He is going to work.
Bear is lying on the table.
Will you help me Bear?
Yes, I'll help you, Bear says.

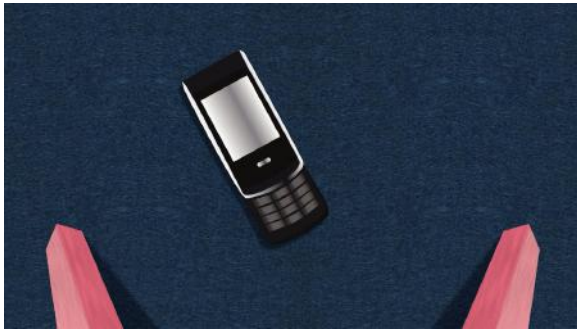

Boris puts Bear in the high chair.
Can I have a pillow?
Yes, you can have a pillow.
Yippee! Bear likes sitting on the pillow.

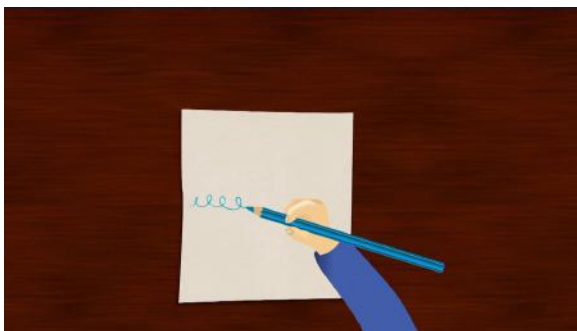

What now, Boris?
Boris takes daddy's mobile.
He gives daddy's mobile to Bear.
The mobile is big. And Bear is small.

Say something!
Hello hello bla bla bla, Bear says.

Be careful Bear!
 Ai ... the mobile falls on the floor.
 Cause the mobile is really big.
 Boris puts the mobile on the table.

Now, I am going to write.
 Boris takes a blue pencil and a piece of paper.
 And he writes curly letters on the piece of paper.

Boris swings his feet.
 Because he likes writing curly letters.
 Blue curly letters.

Listen! Bear says. What is it?
 It is Daddy's mobile.
 What now, Boris?
 Boris picks up the phone.
 Hello! Hello! It is a lady.
 Hello, Boris says.
 Did you call me? the lady asks.
 No! That was Bear.

He puts the phone back on the table.
He folds the piece of paper in 4.

All done!
And he takes Bear out of the high chair.
