

# Boris sees everything upside down

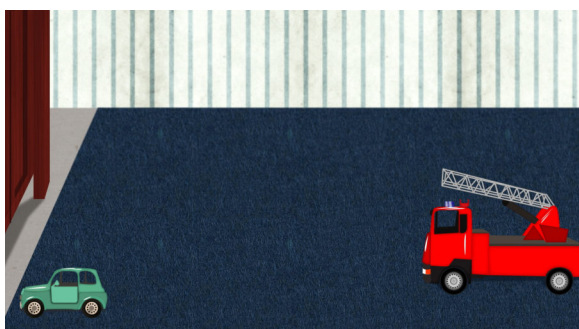

Boris and baby sis are playing together.  
Baby sis is sitting on the carpet.  
She has her little blanket with her.  
She is sucking her dummy.

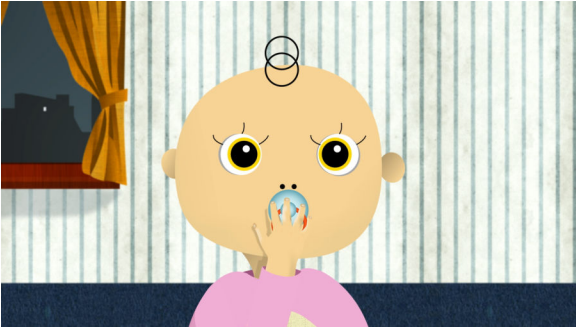

Boris is also sitting on the carpet.  
He doesn't have a dummy.  
No no, no dummy.  
Because Boris is a big boy.  
Boris is playing with his cars.

The green car and the fire truck.  
Baby sis is looking.  
Boris puts the green car and the fire truck  
on the carpet.  
Look, sis, how fast they can go.  
Ready, steady, go!

Boris gives the cars a push.  
They drive over the carpet.  
They go really fast.  
Stop stop! Boris shouts.  
The green car drives off the carpet.  
It drives under the wardrobe.

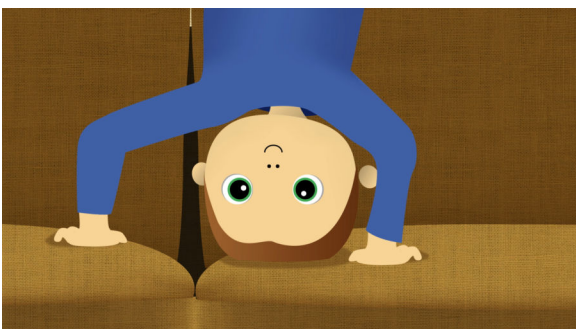

Baby sis laughs.  
Where is the green car?  
It's gone!  
I can't see the green car.  
It is gone under the wardrobe.

What now, Boris?  
Boris jumps onto the couch.  
Look, baby sis!  
Look what I can do.  
Baby sis is looking.

Boris stands on his head.  
His legs are sticking in the air.  
Doesn't he fall over?  
No no, he doesn't fall over.

Boris is standing upside down.  
Is that fun?  
Yes, that is great fun.

Boris sees everything upside down.  
Baby sis upside down.  
The red fire truck upside down.

And the green car?  
Yes, the green car too.  
Upside down.
