

Boris takes a bath

Boris is in the bath.
Baby sis is in the bath too.
Boris and baby sis are in the bath together.
Boris has got a blue sponge.

He fills the sponge with water.
Look at me! Boris says.
He squeezes the sponge.
The water runs down his head.
Is that fun?

Yes, great fun.
Baby sis splashes the water.
Me too! Me too!

Boris fills the sponge with water.
He squeezes the sponge.
The water runs down baby sis's head.
Is that fun? Yes, great fun.

Baby sis kicks her feet.
And look: the bath fills up with bubbles.
That is soap, Daddy says. Bubbles of soap.
What now, Boris?

Boris takes the bubbles.
He puts the bubbles on his head.
And he puts them on his chin.
Now, Boris has a long white beard.
Look sis, I am a grandfather.

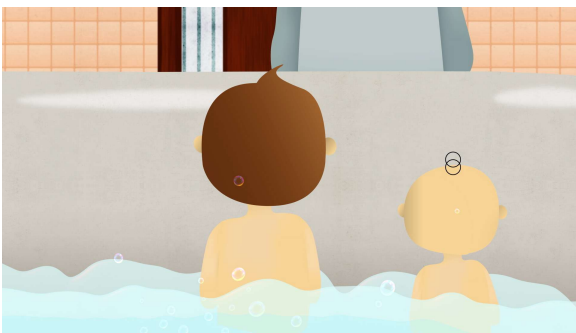

Baby sis splashes the water.
Me too! Me too!
Boris puts the bubbles sis' head.
Now, you are a grandmother.
We are a grandfather and grandmother.

Oops! says Daddy.
There are a grandfather
and a grandmother in our bath.
And where is Boris?
And where is baby sis?
Are they gone?

Boris wipes the bubbles from his head.
And he wipes the bubbles from baby sis' head.
Peekebo! he says.

There you are! says Daddy.
Baby sis laughs.
