

# Boris and Binti on the pavement

Boris and Binti are walking on the pavement.  
They are holding hands.  
Is that fun?  
Yes, that is great fun.  
Fun, fun, fun!

But look, what is that?  
Two binbags. In the middle of the pavement.  
They are in the way.

On the street, a car passes.  
Careful, Boris. Careful, Binti.  
Stay on the pavement!  
The street is dangerous.

What now, Binti?  
Stupid bag, Binti says.  
What now, Boris?  
Stupid bag, Boris says.  
Boris and Binti are on the pavement.  
But the binbags are in the way.

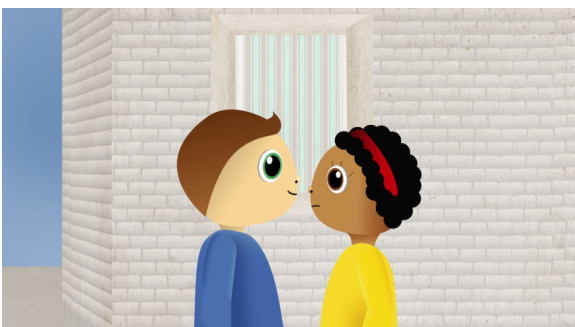

Can you hear that?  
It is the garbage truck.  
The garbage truck stops.

The garbage man jumps off the truck.  
He takes the binbag.  
Hopla!  
He throws the binbag on the truck.  
One bag ... two bags.

Look, Boris and Binti.  
How big and strong he is.  
Then, the garbage truck is gone.  
When I grow up, I'll be a garbage man too.  
I am also big and strong, says Boris.

Me too. I am also big and strong!  
I am bigger than you, says Boris.  
Look!  
I am bigger.  
Your nose is under my nose.

You are not my friend anymore, says Binti.  
What does Boris do?  
He bends his knees.  
Now, we are the same.

Now you are my friend again, says Binti.  
She takes his hand.  
Boris and Binti are walking on the pavement.  
Fun, fun, fun.
